Principal’s Message

Next week all Year 3 and 5 students will be participating in the NAPLAN assessment program. On Tuesday 14 May, students will complete the Language and Writing papers. This will be followed by Reading on Wednesday and finally Mathematics on Thursday. For children who are absent through illness, they will be able to complete any assessments they may have missed on Friday 17 May. However, it is best if children can complete these assessments with their peers in classrooms rather than be withdrawn from the class on Friday.

Please note, if a child is away for 3 exams or more, it would be unrealistic for him/her to complete all papers in one day. Should we be faced with such an issue, parents will be contacted to determine the priority order of subjects for assessment.

Thank you to all the families who are busy collecting sponsors for our annual Run-a-Thon next Thursday, 16 May. K-2 students will undertake their challenge on the back playground whilst Years 3-6 will commence their cross country carnival from 12.00pm at Seddon Park.

This Friday at assembly, we will be acknowledging one of our Grandfriends Barbara Shaw for the contribution she has made to education and in particular, to our school over the past 21 years. Parents and friends are welcome to attend this assembly commencing at 1.50pm in the hall.

Please remember to support our Mother’s Day stall this Thursday and to all our mums, enjoy your special day next Sunday!

ANZAC DAY CEREMONY 2013:

On Wednesday 1 May our school conducted a special assembly to commemorate Anzac Day.

The Ingleburn RSL Sub Branch through its initiative, Community Link offered assistance by means of a Veteran Speaker, who delivered The Ode.

Mr Richard Moore did a terrific job in his role as guest of honour at our assembly and his efforts contributed to the success of our school service. Having Richard attend was a highlight of the service. All the students were engaged with his comments.

A big thanks to all the teachers, students and parents who provided flowers for display.

Peer Support Leadership Training 2013
For two consecutive days all the senior students participated in Peer Support Leadership activities. The students were involved in completing practical tasks in the school hall. Some skills that were focused on included peer mediation, effective communication skills and developing trust.
Ms Cooper coordinated new, stimulating tasks that help support and reinforce these concepts. Peer Support is undergoing a fresh approach to ensure the senior students are thinking ‘quicker on their feet’ as well as showing greater initiative in leadership situations. Several pictures have been uploaded onto the website that outline the types of activities that will be undertaken next term by all students in K-6.
We are all looking forward to the school embracing the new initiatives. Peer support will take place every Thursday afternoon. The sessions will run for half an hour and 22 groups will operate in different rooms throughout the school. Please feel free to discuss with your child what they thought of the experiences each week. I am sure many strong relationships will be formed.

WOOLWORTHS EARN AND LEARN
Last Friday, May 3, a number of students helped put the Woolworths stickers onto cards in the COLA before school. Thank you very much! The stickers had been placed in the box in the Office and also in the box at Woolworths, Glenquarie.
Cards this year hold 60 stickers. We have filled 20 cards so far, which brings our total points to 1200.
Please continue to collect the stickers from Woolworths and place them in the box in the Office. We have until Sunday, June 9, so 5 weeks to go!
Each Friday morning before school, we’ll be in the COLA, putting stickers on cards. See you there!

West Sydney Wanderers Football Clinic:

Year 3 was fortunate enough to attend a football clinic at our school on Friday 3 May 2013.

The aim of this clinic was to introduce the students to some basic skills in ‘football’ by focusing on fundamental movement skills. The development officers conducted the clinics free of charge. The clinics were skill based, suitable for boys and girls.

The West Sydney Wanderers players, led by Pedro had an opportunity to sign autograph books, soccer balls and flags. The Harmony Day message was delivered to students before the clinic commenced. The focus is on working in harmony and understanding people’s differences, and working together to score goals.

Within hours of completing this clinic the Glenfield students were featured on the WSW website’s homepage. You can catch all the exciting action of Glenfield’s website as well.
