Principal’s Message

I would like to begin my report this week by drawing attention to an error in last week’s Broadcaster. It was M. Allen who gained 3rd place position in the Year 2 Girls Fun Run event. We apologise Makaela for printing the incorrect name.

The last date for returning sponsorship forms and money is Thursday 30 May. The class that raises the most amount of money will be treated to a pizza party luncheon on Wednesday 5 June and the individual student who raises the highest amount will win a family cinema pass. These winners will be announced on Friday 31 May. To date we have raised $3,211.00 which is a tremendous effort. Thank you to all students, parents and sponsors. This fundraising money along with the profit of $1090 donated by the P&C from the Mother’s Day stall, will be put towards replacing the 3 oldest interactive whiteboards.

The first Red Food Day for Term 2 will be held next week in conjunction with a Burger Day on Thursday 6 June. Students may place an order for a burger and drink package by completing the form within and returning it with the money to the canteen rather than the office. On this day the canteen will also be selling items that do not normally appear on the healthy canteen menu.

I spoke to the students at last Friday’s assembly about wearing our school uniform with pride. I outlined that bike pants, nail polish, coloured clothing items and coloured shoes are not part of the school uniform. I also explained that the only jewellery items permitted are watches, earring studs or sleepers and necklaces which need to be worn inside shirts and dresses, for safety reasons.

WOOLWORTHS EARN AND LEARN
Last Friday, May 24, many students helped put the Woolworths stickers onto cards in the COLA before school. Thank you very much!
Cards this year hold 60 stickers. This week we collected 44 cards (our best yet!) which was 2640 points! Our total now is 7560 points which is a terrific effort.
Please continue to collect the stickers from Woolworths and place them in the box in the Office. We have until Sunday, June 9, so only 2 weeks to go!
Each Friday morning before school, we’ll be in the COLA, putting stickers on cards. See you there!

Glenfield Has Vegetable Gardens
This week all classes will be involved in starting a class vegetable garden. We will be starting small and this term will only be planting a few winter vegetables. Seedlings have been purchased and the classes will be responsible for planting and looking after their seedlings. Any vegetables we grow this term will be shared and classes will be encouraged to taste the vegetables. Each class this term will also be involved in making a scarecrow to display near their garden. Mr Marshall has kindly made our first school scarecrow who we have named Charlie Glenfield. All the children enjoy seeing his smiley face every day and we are hoping he will keep the rabbits away. Feel free to come and have a look. Our vegetable gardens are behind our toilet blocks along the side fence. Included in this week are a few pictures of KC, KE and 5/6E having fun planting our seeds.
