Principal’s Message

With the increasing number of families moving into the Panorama Estate, our student enrolment numbers have now reached 273. As predicted, there is a chance that our school will grow to twelve classes next term and this would mean a restructure. We have already reached class size capacity in Stages 1 and 3 and a number of new houses in the Panorama Estate are near completion. However, it is impossible to anticipate the number of children who will be seeking enrolment at Glenfield. I will continue to keep the community informed.

We have been attempting to have a children’s crossing marked on Railway Parade to the bus stop, for students travelling to the Panorama Estate. At present we do not have a crossing and students have to walk two blocks south to cross at the station. The other issue is the bus stop across the road, has cars parked in the area that is clearly labelled “Bus Zone”. On occasions when students have been escorted across the road, the bus was not able to pull into this bay or even see the children waiting on the footpath. For the safety of students and staff, the practice of walking students across this busy road was stopped. I have presented my concerns to both Campbelltown City Council and the RTA. The P&C are organising a petition to put to council regarding these safety issues. It will be located on a small table under the COLA. The petition should not be signed by students.

I am sure the school community shares the fear that this high traffic area is a potential safety risk for our students. We all feel this issue needs to be addressed now, not as a response to a tragedy.

**PSSA Netball Gala Day 2**

On Friday 14 June, we headed to Coronation Park, Minto for the second winter gala day. After such a great start on gala day 1 we were hopeful of more good results. Students exceeded expectations by winning all of their games. The Seniors are now undefeated after 9 rounds while the Juniors have won 8 out of the 9 rounds. Great work J A big thank you to Michelle Coulstock for umpiring and Delwyn Fraser for assisting with scoring.

Results were as follows:

**Gala Days**

When students represent the school they need to be in full sports uniform including the broad brim hat. Students also need to bring plenty of water to drink throughout the day. Unfortunately a number of students have been coming to gala days without drinks and not wearing the correct school colours which are green and yellow.

**Cross Country Assembly**

On Friday 28 June an assembly will be held for students to receive their ribbon for coming 1st, 2nd or 3rd place in their age race at the cross country carnival. Students who represented our school at the zone cross country carnival will also receive their ribbon on this day. The assembly will commence at 10.30am. Parents and community members are welcome to attend.

**WOOLWORTHS EARN AND LEARN**

**LAST CHANCE TO BRING IN ALL YOUR STICKERS AND CARDS!**

Last Friday, June 14, many students helped put the Woolworths stickers onto cards in the COLA before school. Thank you very much to those students and the parents who have been helping out each week with stickers as well as moving the furniture! We saved our best effort until the end! Last week we collected **82 cards**! This was **4,920 points** taking our total to **18,480**. This is a terrific achievement.

It is time **now** to bring in all the stickers and cards, full or part full, so that we can find our total. Please put them in the box in the Office tomorrow, Wednesday 19 or Thursday 20 so that they can be returned to Woolworths and our total verified.

Thank you everyone for your wonderful support. I will let you know what our final total was.

**Peer Support 2013**

All students in the school have been participating in Peer Support every Thursday in Term 2. Last week the activity focus was cooperation. Each group of 5 or 6 students was provided with a newspaper and sticky tape. They had 15 minutes to design and build the highest tower they could, using only the 2 items. No other resources were used. They had to consider concepts such as rigidity and angles to support their structure. Some examples are on display. The leaders are doing a fantastic job running the activities every week.

**Winter sports GALA DAY**

**Soccer 2013**

The Soccer gala day squad competed in the second gala day on Friday 14 June 2013. Both teams performed extremely well. Both teams should be congratulated for their excellent behaviour in difficult conditions as we played the games on a reduced size field. Many students scored goals which was pleasing.

**SRC Mufti Day**

The SRC will be holding a “State of Origin” mufti day next Wednesday 26 June. Come along dressed in blue or maroon to show your support for either NSW or QLD. The fine for coming in mufti will be a gold coin. Your class SRC representatives will collect the money on the day. All money raised will go towards fundraising for the school and Stewart House. Thank you for your support.

Expression of Interest

The P&C would like to organise a fundraiser for the school, to help with the purchase and installation of Interactive Whiteboards. We thought that a Cadbury Chocolate Fundraiser would be the easiest and quickest way. Boxes of Freddo Frogs and Caramello Koalas would be ordered.

This is not compulsory, but if you would like to participate please fill in the form below and return it to the office. The results will be collated and the chocolates ordered for delivery at the start of Term 3.

Each box will contain 50 chocolates to be sold for $1.00 each. The money and any unsold chocolates will need to be returned to the school. Dates will be advised closer to the time.

Our family is interested in participating in the Cadbury Fundraiser.
