Congratulations Mrs Whetton and thank you for organising a fabulous assortment of activities to celebrate Book Week at Glenfield Public School!

The traditional parade of characters saw appearances from everyone from Harry Potter, Wally, Robin Hood, Tin Man and Cinderella to Mr Grumpy. There were prizes for students who had gone to extra trouble to create a costume for the parade. One student from each class was rewarded with a book prize.

The Next P & C Meeting: Monday, 2 September 2013, in the staff room at 9am
The parade was followed by a picnic lunch with families. This year Mrs Whetton organised some fun lunch time activities such as face painting, a photo booth and competitions. Everyone had a most enjoyable day.

Kindergarten students are currently learning about food sources and farm animals. Yesterday KE found some surprise visitors in their classroom. They have an incubator and a dozen eggs that are ready to hatch this week. Three chicks have already hatched from their eggs. Thank you Mrs Eccleston for organising such an engaging activity for our younger students!

PSSA Netball Gala Day

On Friday a smaller than normal group of students went to our third netball gala day at Coronation Park, Minto. The Juniors had no reserves with many students playing positions they haven’t played before and the Seniors had 1 reserve. The Seniors are in first place and remain undefeated with 1 gala day to go while the Juniors found it difficult with no reserves and narrowly lost a few games on Friday. Results were as follows:

<table>
<thead>
<tr>
<th>Round</th>
<th>Junior B</th>
<th>Senior B</th>

Miss Batros

We are in the process of organising this year’s Kindergarten orientation program. If you know of any families in your neighbourhood with preschool children who will commence school next year, please encourage the parents to visit the office to complete an enrolment form. Only those parents who have completed an application for enrolment will be able to attend this valuable transition program.

Please remember the Father’s Day stall will be held on Thursday 29 August. Volunteer helpers are welcome to assist in selling the merchandise.

Enjoy the week ahead!

Art Competition
Threatened Species of Macarthur.
Students are encouraged to enter a local art competition to coincide with biodiversity month and threatened species day in September. ALL students can participate in this art competition. What to do?
Draw or paint a picture (A4 size only) of a threatened species found in the Macarthur region and submit to Miss Williams no later than Monday 2 September. Check out the posters on the office window for ideas and examples of threatened species in the Macarthur area.

K-6 SCHOOL MUSICAL
‘A Swinging Summertime’
Our school musical, “A Swinging Summertime” is fast approaching. Tickets will go on sale very soon. Look out for some extra notes in regards to the musical.
Following, is our weekly outline of each scene.
Act 2: Scene 4: Down In The Ocean
We are now under the sea, and introduced to some terribly sick sea creatures- ‘Fish’, ‘Octopi’ and ‘Jellyfish’ to name just a few. These are played by the students of class 3M. With so much sickness and illness, caused by litter and rubbish, there is only one creature that may be able to fix the sea creatures. That is ‘Doctorpus’, played by Pratham K! He has a big job on his hands, but ‘Doctorpus’ knows there is a terrible crisis and he wants to fix it.
He just doesn’t know how!
Tune in next week to find out who ‘Doctorpus’ calls upon to help fix the problems of the sea.
