Principal’s Message

I would like to welcome back our families to the final school term for 2014 and to thank Miss Odefey for leading and managing the school during my absence. I have already heard many fine reports regarding Miss Odefey’s leadership and organisational skills whilst she undertook the role of relieving principal.

Mrs Galindo has organised a 5 week Dance 2B Fit program which commenced today in the hall. All students had the opportunity to attend today’s session in stage groups. However from next week, only students who have returned permission notes and payment will be able to complete the program. The Dance 2B Fit team has a very good reputation and last year, our students thoroughly enjoyed the fitness activities through set dance routines.

Years 2-6 School Swimming Scheme
The Department of Education and Communities’ School Swimming Scheme is an intensive learn to swim program which develops water confidence and provides students with basic skills in water safety and survival. The scheme is conducted over 5 days. Each lesson is 45 minutes. The children will be involved in two lessons daily. The scheme focuses on weak swimmers in Years 2 and 3 but provides for weak swimmers in Years 4 to 6. Instruction will take place at Macquarie Fields Leisure Centre. The scheme will continue daily for 1 week from Monday 13 October 2014 to Friday 17 October 2014. The total cost for the 5 day scheme is $37.00 which includes pool entry each day and bus travel to and from the pool. As mentioned to the students, if parents were to pay for 10 lessons outside of school, the cost would be well over $100. **There are less than 10 spaces left.** If you have any questions please don’t hesitate to contact me.
