Principal's Message

As we are now approaching the end of the year, teachers are reflecting on their students' learning and achievements to begin constructing Semester 2 reports. Rather than end of term testing, teachers are now constantly assessing student knowledge and skills through regular, ongoing assessment tasks. At certain points across the year, class teachers are required to enter data on-line to the DEC to track the progress of each student across the learning continuum for both Literacy and Numeracy.

Students who enrolled at Glenfield after Week 5 in Term 3 may not receive a complete report in the areas of Creative Arts, PD/H/PE, HSIE and Science and Technology. Similarly, students who have been exempt from school for more than 3 weeks may also receive an incomplete report.

Once again I stress the importance of refraining from taking family vacations during the school term as students miss vital learning experiences and assessment tasks. New students to our school who arrived after Week 2 this term, will not receive a report this year.

Mrs Taranto has recently sent home outstanding invoices to a few parents for costs incurred throughout the year. If you received a notification, we would appreciate payment as soon as possible. The financial year for NSW public schools is 30 November. If parents are experiencing financial difficulty, please contact the school.

**Softball Gala Day**

Last Friday our third summer gala day was held for softball. After we arrived it started to rain but it didn’t last long and soon the sun was out making conditions hot and dusty conditions. I was really impressed with all the games and the manner in which they were played. The boys are still undefeated after a close game against St Andrews A who were undefeated up until that point. Results were as follows:

- Game 1 vs Ingleburn
  - Girls Lost 14-1
  - Boys Won 7-2
- Game 2 vs St Andrews A
  - Girls Won 7-5
  - Boys Won 4-2

Our final gala day for the year will be held on Friday 7 November (Week 5).

**OZTAG - Summer Gala Day 3 2014**

On Friday 23 October 2014 our oztag sides competed in the third Fields Zone oztag gala day competition. Both the senior and junior teams won 3 games and lost 3 games. The results were a fair reflection on the day with the senior team unlucky not to win more of their games.

The junior team had the potential to turn some results around but some ill-discipline often lead to tries being conceded. Some players have to realise that oztag is a team game and not based on individuals. It is okay to be enthusiastic but games are won with a solid work ethic and a willingness to follow through with the coaches’ instructions.

Nevertheless, there were many super tries scored along with great tagging. Many parents came to support on the day. Thanks Mrs T again for scoring.
