Principal's Message

Our picnic tables and bench seats have finally been installed in front of 2P’s classroom. Students have been extremely eager to use these during recess and lunch. We are keen to offer some simple games such as snakes and ladders and draughts for children as an alternative to playing active games or visiting the library. Donations would be welcomed and highly valued!

The Next P & C Meeting: Monday 1 December 2014, in the staffroom at 9.00am.
The playground equipment that was installed over 20 years ago was assessed last week. Due to wear and tear, all deck panels will need to be replaced. The synthetic turf below the slippery dip will also need to be replaced or at least patched before the equipment can be reopened. One quote came in at $32,000 for synthetic grass. The cost to replace the decks on the equipment is just over $4,000. This will be discussed at the next P & C meeting on Monday 1 December at 9.00am, in the staffroom. Everyone is welcome to attend.

Although the temperature soared to nearly 40 degrees last Friday, it did not stop students and teachers from enjoying the Year 6 mini fete. There was a huge variety of stalls offering goods, services and competitions. Over $1,500 was raised which will be used to help fund the Year 6 Farewell and a gift to the school.

Thank you to the parents who assisted in running stalls and to the boys and girls for their sensible behaviour.

Student Reports for Semester 2 will be sent home on Friday 12 December. Please take note of other important dates from the front page regarding special events as we move towards the end of the school year.

To involve the community in the spirit of Christmas, a Christmas concert will be held for Kindergarten students from 9.30-10.30am above Glenfield station on Thursday 11 December.

Enjoy the week ahead!

**Gala Day Assembly**

On Thursday 27 November at approximately 1.50pm in the hall, a special Gala Day Assembly will be held to hand out ribbons to all students who went to gala days throughout the year. Winning teams will also receive their certificates from the Fields Zone Presentation Night. Students who made a Fields Zone team will be presented with their certificates also. Everyone is welcome to attend.

**Bronze, Silver, Gold and Platinum Level Awards**

The last date to hand in certificates for a level award for 2014 is Friday 5 December. Any student bringing in awards after this date will not be presented with their certificate or medallion until next year. As in other years, medallions will be presented to students at our special Celebration Of Learning. Please ensure your child brings in his/her bronze, silver or gold certificate if they have already received one and are progressing to the next level.
