Dear Parents,

As we conclude the school year, I need to inform you of some staff changes for 2015. Yesterday I was offered and accepted the position of relieving principal at Liverpool West Public School for 6 months with the possibility of extension. However, I have every confidence in my staff that all will proceed as normal and that the relieving principal will be well supported.

As this change has occurred so late in the school year, at this point in time, I do not know who will replace me during my absence. The director of Public Schools for the Glenfield network will make a decision regarding this position in January and a relieving principal will be on duty at the start of new school year.

At present, we do not have any students who require funding support for 2015 and as such, Ms Tehliwek received a transfer yesterday afternoon to Guise Public School. This is a permanent fulltime position for her. We thank Ms T for the many years she has supported the students of Glenfield Public School and we wish her well at her new school.

As you know, Miss Batros will also be out of the school for 12 months as she takes leave to travel. Mrs Thompson who is an assistant principal at Wilkins Public School will take on the duties of Miss Batros for 2015.

Merry Christmas

The P & C AGM: Monday 9 February 2015 in the staffroom at 9.00am.
A new teacher will be appointed to the school to teach the 13th class and there could well be another teacher employed, should there be sufficient enrolments to establish the 14th class. These positions could be filled temporarily by casual staff.

Thank you to all the parents who attended the Celebration of Learning on Monday. It is always a lovely way to conclude the year by paying tribute to our successes and the achievements of our students. All students received an award of some description. 3 students from each class received class awards and a few received major awards. The major award recipients are listed below along with the formal announcement regarding next year’s school student leaders.

All students apart from incoming Kindergarten will return to school on Wednesday 28 January. Classes for 2015 will not be formed until we are sure of our student numbers.

Today is the last day for students and I wish everyone a happy and safe break over the festive season. I will continue to stay in touch with the school community and I look forward to bringing back new knowledge, connections and experiences that I acquire during my time away.

Enjoy the year ahead!
