Apart from a chilly start to the day, the weather was kind to us yesterday for our cross country carnival and our picnic lunch. Thank you to all the families who supported the school in the Run-a-Thon. The final figure will not be known until all money has been returned. As of today, we have already raised $1490.90 for tables and bench seats for our students to use during outdoor lessons and play time.

Below are a few photos that captured the spirit of the day. Students proudly represented their sport house groups, completed their race and encouraged their peers. The names of students who gained places in the age races will be listed in next weeks Broadcaster.

Last Wednesday we held an ANZAC Day ceremony at school. We thank Mrs Camp for her organisation. Mr Brian Smith was a guest speaker from Ingleburn RSL. He spoke about the bravery of all servicemen and women and presented the school with a book about Anzac Day. Later the school leaders placed flowers that had been brought in by students, around the flagpole.

Next week the national assessment of literacy and numeracy (NAPLAN) begins for students in Years 3 and 5. It is important that these students attend school to undertake these assessments. Parents will receive a report of their child's literacy and numeracy skills towards the end of Term 3.

Channel 10 will be at school on Monday 19 May for Tim Bailey's weather report. Parents and children are invited to attend from 4.30pm. As we are intent on presenting our school in a professional light, we would like all students in school uniform and the school leaders in their blazers. Students dressed in school attire, may be asked by Tim to say a few words on live television.

Enjoy the week ahead!
