Principal's Message

have provided many meaningful activities this week. Yesterday, the Biggest Morning Tea was held to raise awareness and money for the Cancer Council. Two representatives from the Jane McGrath Foundation spoke at the morning tea. Approximately $150 was raised for this worthwhile cause.

A big thank you to our P&C who ran a BBQ yesterday as part of our Education Week celebrations. Parents who assisted on the day were: Aleks Warianka, Ferdie Bautista, Amanda Burgess, Louise Osborne, Pam Lamba, Diana Vichlenkova, Laura and Jillian Agius.

Today, a Grandfriend's and Special Person's Day Assembly was held followed by open classrooms. Invited guests were able to reflect on their own schooling experiences and how different it was to today's schools. I hope everyone who attended had a nice afternoon.

Good luck to Andrew R, Amy L, Estell M and Anando R who are participating in the Academic Challenge at Sarah Redfern High School tomorrow.

We look forward to seeing the Glenfield debating teams debate against each other on Thursday. More information in this week's broadcaster.

Thank you to Mr Eccleston for organising the school athletics carnival. A great day was had by all. Results are currently being collated and a special assembly will be held at the end of the term to hand out ribbons to students who came 1st, 2nd or 3rd overall in each event.

Please keep an eye on the calendar for upcoming events.

AFTER SCHOOL AFL FINAL WEEK
ATTENTION all AFL students and parents! This Thursday 31 July is the final week of AFL. To celebrate the many skills the students have learned there will be an all inclusive AFL Gala Day from 3-4pm. Students will be able to play AFL and invite their parents, brothers and sisters or friends to play too. AFL Australia will be organising a BBQ and coaching to include the loyal parents who have supported their children every week! Thank you for your support with this program. If you have any feedback about the experience please let me know. Continue to get active and stay healthy!
Thank you, Miss McKrell

Glenfield VS Glenfield
DEBATING FRENZY this Week!
The Glenfield Greats and Glenfield Gigabytes would like to invite you to attend an all Glenfield DEBATE this Thursday 31 July. To celebrate Education Week the debaters would like to show you how hard they have been working and complete Round 3 of the Premier’s Debating Challenge. If you have never seen a debate before I would encourage you to come along and see this intellectual sport in action. Both teams would really appreciate your support. They only have 60mins to prepare their response. Please come along to the hall and be seated by 10:15am for a 10:20am start. There will be a morning tea provided at the end of the debate for both students and guests. We hope to see you there!
Miss McKrell and the debating teams.

K-6 ATHLETICS CARNIVAL 2014

On Thursday 25 July we held our annual K-6 Athletics Carnival at Campbelltown Athletics Stadium. Mr Eccleston provided great weather and many students participated in several track and field events. The behaviour of the students was excellent and it was great to see lots of cheering in the grandstand.

The assistance from parents was integral to the success of the carnival. The support from the Macquarie Fields High School students again proved to be invaluable. Also a special thank you to all the teachers who worked hard to ensure each activity / event ran successfully and to our students for being great sports and endeavouring to do their best.

The final place results are currently being collated. All students will be notified if they have made the Zone Athletics team and the zone permission note will also be distributed soon.
