Principal's Message
The “Personal information and declaration of accuracy” forms were due back last Friday. Please ensure you have ticked both Permission to publish and Online services. Permission to publish is required for photos to go in the broadcaster, on the school website, etc. Please note if you do not give permission for online services this means your child will no longer be able to access the Internet including educational websites such as Mathletics and Reading Eggs. If you do not send this form back in, an automatic no will be registered for both sections.

Congratulations to Estell, Andrew, Amy and Anando who won the “Buzz me in” section in the Campbelltown Academic Challenge last week.

I'm looking forward to seeing everyone dressed up in their Book Week costumes for the parade next Wednesday. I know everyone will put lots of thought and creativity into their costumes.

Thanks to Miss McKrell for organising the extremely successful after school AFL program. It was great to see so many students involved in this worthwhile program and as Miss McKrell mentions, there are local clubs students could join if they wish to play AFL.

Parking Issues
On Railway Parade, there have still been complaints about parents parking in no standing and bus zones. Parking rangers and police will continue patrolling the area and have indicated the cost of parking fines range from $169 to $405. Due to the fact the infringement takes place in a school zone, there is also loss of demerit points. Please see insert for more information.

Diary Dates

**AUGUST**
- 8 Debate vs Casula
- 13 Book Parade
- 14 Fields Zone Athletics Carnival (track)
- 15 Fields Zone Athletics Carnival (field)
- 15 Book Week Show
- 22 Gala Day

**SEPTEMBER**
- 3 International Day
- 11 Glenfield’s Got Talent
- 12 Gala Day

**NOTES GONE HOME:**
Notes can be downloaded from this website: www.glenfield-p.schools.nsw.edu.au

The Next P & C Meeting: Monday 1st September, 2014, in the computer lab at 9.00am.
In Waterloo Place, parents and teachers are still concerned about unsafe practices that place children in danger. If parents drop children opposite the school grounds, please ensure they walk around the cul-de-sac and do not cross the road.

Miss Batros
Relieving Principal

Fields Zone Athletics Carnival
The Fields Zone Athletics Carnival track events will be held next Thursday 14 August at Campbelltown Sports Stadium (where the school carnival was held). The field events and 800m will be held on Friday 15 August at the same venue. Permission notes were handed out last Thursday. Please return money and note to the office.

Congratulations to the following students who will be attending the zone carnival on the Thursday:

Congratulations to the following students who will be attending the zone carnival on the Friday:

AFL Maths Challenge
In a few weeks time, during Literacy and Numeracy Week, students will be participating in an AFL Maths Challenge on Mathletics. Students will pick their favourite team and wear their team beanie (on the site) throughout the week whilst playing Live Mathletics. More details in next week’s broadcaster.

11 Years Girl: L. Yaranamua
12/13 Years Boy: K. Watanabe
12/13 Years Girl: P. Tan-Bautista
These students will be receiving trophies at a special athletics assembly later in the term.

AFL Signing Off
Thank you to all the parents and students who participated in the 2014 AFL clinic. Although we were unable to celebrate with a BBQ (this was held during the last school holidays) everyone had a fantastic time playing AFL last Thursday. Students were able to apply their skills and work as a team in a round robin of AFL. I must thank everyone for your ongoing support of this program and I know I will miss hearing the students tell me how much they love playing AFL! Remember there are local AFL clubs if your child wishes to continue developing their skills and playing in a team. Stay healthy and keep active!

Miss McKrell

Campbelltown Academic Challenge
Congratulations to the following students who attended the 2014 Campbelltown Academic Challenge at Sarah Redfern High School last Wednesday, 30 July.
A. Ross
M. Rahman
A. Luong
E. Mathew

They participated in five different activities ranging from a maths quiz, to a poetry writing competition and even a chemistry investigation. Glenfield not only won in their pool of four schools in the Numeracy ‘Buzz me in’ game they actually won the overall activity and came first out of all 20 schools that participated. They had a fantastic day and represented our school with pride.
Jeans for Genes Day 2014
On Friday 1 August 2014, Jeans for Genes Day was organised at the school. The children were encouraged to wear their jeans and the response was great. The students, parents and teachers either made a donation or purchased merchandise. A big thanks to all the teachers and parents who also ordered J4G jumpers. These purchases also contribute to funds for genetic research.

Mr and Mrs Eccleston were very pleased with the overall total. Over $800 was raised by the Glenfield community. Well done to everyone who contributed. All donations received go directly to the Children’s Medical Research Institute to assist with research into children’s genetic diseases. Thank you for all your contributions. Some photos are also on the website.

Stronger Bones, Stronger You!
This week is Healthy Bones Action Week. Students will be encouraged to make this week about boosting their calcium intake. Follow these three simple steps to make sure your family are aware of how to keep your bones healthy. Eat or drink milk, cheese or yoghurt for calcium every day. Do weight bearing exercise such as swimming or athletics. Get outside safely in the sunshine for vitamin D.

Competition Time!
To celebrate K-2 have the opportunity to enter a healthy bones colouring in competition that will be sent home this week. 3-6 will be given a dairy scorecard to keep track of their dairy foods for the entire week. After tracking their dairy intake, 3-6 are being asked to design an A4 poster showing how they felt eating dairy everyday. They may even like to include some facts about why dairy is important for your bones. Information can be found in this week’s broadcaster and on this website:

http://www.dairy.edu.au/discoverdairy

Both the colouring in competition and the dairy scorecard with an A4 poster will be judged, with prizes given out to the most creative entries. Please make sure your entry is handed to Miss McKrell with your name and class on the back, by Monday 11th August. The winners will be announced in next week’s broadcaster. Good luck!
The table in the insert will let you know if your children are consuming enough dairy! Look out for the insert for more information.

Miss McKrell

Glenfield’s Got Talent!
Get ready to entertain!! Students have already registered and auditions for Glenfield’s Got Talent began last week and will continue this week. Please make sure you have been practising your performance and you bring in any relevant music, props or instruments you will be using. Auditions will take place during lunch time. We are encouraging students who are singing to add some movement to their performance.

Creative Arts Committee

News from the library!
- Have you got a costume ready for Wednesday 13 August? Students (and teachers) are to come dressed as a book character for our annual Book Parade. A prize for best dressed in each class to be won. This will be followed by a picnic lunch, family and friends welcome. Parade will start at 10:15am.
- The Book Week Musical will be held on August 15, cost is $6 per student.
- The Premier’s Reading Challenge deadline is this month, 22 August. Everyone should keep reading and 3-6 students keep updating your online reading logs.

Mrs Whetton
