Principal’s Message

I need to advise everyone that the canteen will be closed this Friday (22 August). Children will need to bring lunch, drinks and recess to school. Students will be reminded of this change in routine, each day.

The Zone Athletics carnival was held last week. This year Glenfield and Ingleburn North Public Schools were responsible for the overall organisation of the Zone Athletics Carnival. Miss Batros and Mr Eccleston were instrumental in ensuring this carnival ran smoothly and I would like to acknowledge their dedication and professional organisational skills. Mr Eccleston has prepared a report regarding our collective achievements that gained us, for the third consecutive year, the small school championship title and shield. We also have a Junior Girl Champion who set a new record. Congratulations from all of us, Dakota! Please read Mr E’s report for more outstanding results.

Book Week was a huge success last week thanks to the thorough organisation of Mrs Whetton and the parents who assisted in creating character costumes for their children. Thank you to parents and community members who were able to attend the parade. It is always wonderful to see so many community members engaged in school activities.

There will be other opportunities for the community to come together this term. We are all looking forward to our International Day celebration that will be held on Wednesday 3 September. Mrs Dunajcik sent a note home about this special event yesterday. Miss Williams has also been very busy with her creative arts team to organise and audition students for the “Glenfield’s Got Talent” spectacular that will be held on Thursday 11 September.

The Next P & C Meeting: Monday 1st September, 2014, in the computer lab at 9.00am.
Last Friday a concerned parent called the school to inform us that she had almost knocked over a child on Thursday afternoon in Waterloo Place. The student ran across the road from behind a parked car towards his parent who was waiting on the other side of the street. As student safety is paramount, please ensure your child/children either cross Waterloo Place with an adult or walk around the cul-de-sac to meet parents.

I thank Miss Batros for leading the school during the time I was recovering from surgery and now it is Miss Odefey’s opportunity to take up the position of relieving principal until my return next term.

**ZONE ATHLETICS RESULTS 2014**

Last Thursday 29 students represented our school at the Zone Athletics Carnival in track events and on the Friday a further 20 students represented the school in field events and 800m. All the students enjoyed the experience and several excelled in their respective events.

Many students placed highly in their events which contributed to our school winning the **small schools shield for the 3rd successive year**. This is a tremendous achievement and it was a pleasure to ring the victory bell back at school. D. Tan Bautista also excelled and won the **Junior Girl Champion award**. What an outstanding achievement considering she is only 8 years of age! She also broke a long-standing record in the 8 yrs 100m with a time of 16.13 sec. This record was from 1991, 23 years ago.

Other students who went close to winning their respective age championship were N. Allen, P. Tan-Bautista and L. Yaranamua. What a fantastic effort by these students as well. All the students should be proud of their efforts.

Many students made the finals. Their results are listed below.

A special mention must go to Miss Batros. Organising the Zone Athletics carnival is arguably one of the biggest jobs of the year, spanning throughout the whole term. Her dedication towards many tasks cannot be underestimated. She has provided countless hours of data entry, delegation of jobs, overseeing both track and field days, along with the preparation for the zone in the Area Athletics Carnival. Both Glenfield PS and Ingleburn North PS have organised this event but Miss Batros has been the driving force behind the running of this year’s carnival.

Congratulations to the following students who will be representing the **Fields Zone at the Area Athletics Carnival** on 10 September 2014 this term. The number representing is a huge achievement for such a small school population at Glenfield. We wish them the best of luck!
