Principal's Message

Last Friday, our 3-6 School Sport students enjoyed a day of bowling at Campbelltown City Bowl. From what I hear they had a terrific day and it is something we will look at doing again in the future. Thank you to Mrs Padam for her organisation of this event.

Tomorrow, myself, Mr Hawkins and 47 students from Stage Three will be undertaking an educational tour of the national capital and we will also be visiting the Snowy Mountains. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of this excursion the Australian Government is contributing $20 per student under the Parliaments and Civics Education Rebate program towards their costs. This rebate was taken into consideration when pricing the excursion.

For all of those coming to camp, remember to be at school no later than 7:15am!

Next week is going to be a very busy week. We are all looking forward to our International Day celebration that will be held on Wednesday and our P&C will be holding their annual Father’s Day Stall on Thursday morning.

Flu season is here!
Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:
♦ Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
♦ Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
♦ Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.
♦ Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.

The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More information about the vaccine is available from the NSW Health Immunisation Unit’s vaccination page.

AFL Maths Challenge
This week from Monday 25 August to Sunday 31 August, all students will be participating in an AFL Mathletics Challenge. Students should have chosen their favourite team’s beanie from the Mathletics Facemaker store. All students were shown how to do this at the assembly last Thursday. They must have their beanie on to score points. Throughout the week to score points, K-3 students play Live Mathletics and have to complete at least one game of levels 1, 2 and 3. Years 4-6 have to complete at least one game of levels 2, 3 and 4. Students can win prizes and appear on the AFL Maths Challenge Ladder.
