Principal’s Message

Welcome back to Term Four!

I trust you all had a lovely break. We have many exciting things happening this term including the Stage Three camp, the school concert, the gymnastics program and the swimming scheme that starts next week! The time will also come for us to farewell our current Year Six students as they move onto high school.

Congratulations to all of our Principal Award recipients from Term Three and S. Shaji Thomas from KC for being chosen as our Aussie of the Term.

Our Community Café will be up and running again this term and the first one is on Monday of Week Three. Come along for a coffee and a chat. Casula High School will be attending this session to provide parents with information on what their school has to offer.

Mrs Urry sends her well wishes and will return from leave next Friday.

Campbelltown Council Excursion
Stage Two had a great time at the recent excursion to Campbelltown Council and Mawson Park. The groups had the opportunity to see the working of the local council. Year Three even had the mayor of Campbelltown, Mr Paul Lake visit the council chamber. The Year Four group re-enacted a mock council meeting and debated an issue affecting the local area. A worksheet was provided at Mawson Park. Many local services and businesses were listed and heritage buildings were also sketched. These activities provided a strong link to our HSIE unit this term – “Cooperating Communities.”

WOOLWORTHS EARN AND LEARN
On Friday September 18, many students gathered in the COLA for the last time to put Woolworths stickers on sheets.
We have had an overwhelming response from the students and parents at our school and from the wider community. As well as huge amounts coming into the box in the school Office, we collected over 2,600 stickers from the box at Glenquarie over the eight week period!
The grand total was 29,880. The sheets have been sent to Woolworths for verification and as soon as that occurs we shall be able to order our educational resources, which will arrive at the start of Term One, 2016!
We look forward to showing you what we have purchased through your amazing efforts!

Competition Soccer
Winter Gala Day 3 2015

On Friday 11 September 2015 our soccer sides competed in the third Fields Zone soccer gala day competition. Although there were some indifferent performances from our opposition team, both the junior and senior teams performed admirably. A special mention goes to Callum and Sebastian who filled in for some extra games because of a shortage of players. At this point in time the results have not been collated. However, we are hopeful of finishing around 3rd in the competition. Thanks to all the parents who supported our teams throughout the gala days and the canteen for supplying ‘zoopa-doopers’ at the end of the day.

Swimming Scheme Next Week!

The Learn to Swim Program begins next week. 60 students will be going daily to Macquarie Fields Pool from Monday October 12 until Friday October 16. They will have two x 45 minute lessons each day.

We shall be travelling by bus, leaving at 9:10am so students need to be at school by 8:55am. Students should wear their swimmers under their school uniform, remembering to have a strong plastic bag with a towel, hat, warm clothing and underwear to change into after the lessons. Students will have lunch when they return to school at approximately 11:30am.

This is a wonderful opportunity for our students. It is most important that students attend each and every day. We would ask parents to support us in ensuring students complete the full week’s instruction.
