**Principal’s Message**

As you can see in the Broadcaster, the students in Year 5 have had some wonderful opportunities through the support of Casula High School. They engaged in exciting science experiments with the support of science teachers and Casual High School students. I went down to see the experiments and all students were engaged and having fun with circuits.

Casula High school is also taking our choir to the Casula Powerhouse on Thursday to see a number of performances by the high school students. The high school is providing the bus and the entertainment for free.

Don’t forget to purchase your tickets for the concert before school in the office. It will be a wonderful extravaganza I am sure. The teachers and students are working very hard on their items.

**Remembrance Day**

On November 11 the four captains went to Ingleburn RSL with Mrs Urry to recognise Remembrance Day. It was very touching how the soldiers spoke about the end of WW1. As captains we took the wreath to the statue where we paid our respects to the soldiers that fought, died and suffered for our country.

During the minute silence, a Black Hawk helicopter flew over us paying their respect.

There were many people there including the captains from different schools, soldiers who fought in WW2, Mr Chanthivong, the President of Ingleburn RSL Subbranch and religious leaders. Overall we thought it was an amazing experience.

Science with Casula High School
On Wednesday, the Year Five students had a science day with Casula High School. Staff and students came to our school and brought a lot of equipment with them. They taught us how to connect wires to make light bulbs work and they also taught us other cool things about electricity. We made rockets and shot them high into the sky using air pressure. They brought along a Vander graph machine that produced static electricity. Miss Odefey was chosen as a volunteer and when she touched the large dome, her hair went up! All of her hair was standing on end and everyone had a good laugh. We learnt a lot of new fun things during Casula’s visit.

Macquarie Fields Fire Brigade Visits Kindergarten
On Wednesday November 11, 4 members of Macquarie Fields Fire Brigade visited the students of KC, KL and KW. (Some lucky Year 6 students were able to join in the fun as well!) They spoke about how to keep safe. If there is a fire, they learnt to call 000. If there is smoke in the house, they need to “get down low and go, go, go” and if their clothes should catch on fire they need to “stop, drop, cover their face and roll.” Everyone enjoyed climbing through the fire engine and a few lucky ones were able to help use the fire hose to water our back playground!

If your child/children will not be returning to Glenfield, please indicate the school/area in which they will be relocating.

If your family is taking an extended vacation beyond January, please write down the intended date that your child/children will return to school. This will ensure that all students are placed on a class list and their position will be held in this class until their return to school.

Christmas Appeal - Food Hamper Donation

In an exercise to demonstrate the importance of giving, our school will be collecting non-perishable food items to donate to St. Vincent de Paul Society Christmas food hamper appeal. As a school, we are aiming to match the number of donated items to the number of students enrolled at our school. Currently we have 340 students, so we are hoping to donate 340 food hamper items!

Food hamper items need to be unopened and non-perishable. Some examples of items that could be donated include: tinned food eg- tuna, spaghetti, sauces, salad items, baked beans, soup etc.

Packaged food eg- rice, pasta, sauces, breakfast cereals, biscuits, tea, coffee, sugar, long life milk etc.

These items will be collected by your child’s class teacher.

Thanking you in advance for your support of this cause.
