Principal's Message

We had a wonderful response to our Mother’s Day stall on Thursday and all the gifts were sold. This was a great fundraiser for the school and I thank our wonderful P&C and all the helpers who gave up their time on Thursday to sell the gifts.

This week NAPLAN is on at school for Years 3 and 5 students Tuesday, Wednesday and Thursday. Again a reminder to make sure your child is at school on time.

Our office staff is having difficulty contacting some parents at the moment when their child is sick or if general contact with the family is required as telephone numbers are not up to date, not answered or disconnected. This information is extremely important so if you have changed your phone number or your emergency contacts and phone numbers have changed, you need to let the school know immediately. This applies equally to a change of address.

We had some good news this week and hopefully the flashing lights on Railway Parade to indicate school zones should be proceeding this week.

Don’t forget to check out our website and to answer the survey about Twitter and Facebook in the Broadcaster as we are trying to make sure we have the best means of communication with our families.

Thank you for your continued support,
Mrs Joanne Urry
