Principal's Message

Dear Parents and Carers,

What a truly amazing Education Week Open Day at Glenfield Public School!

The day began with the official opening of our Community Café. We had 60 parents attend. The Community Café will be the hub for parent interaction and support in the school. Parents can come and have tea and coffee and a chat, meet new friends and be provided with information on various topics concerning their child’s education and other topics of interest to them at the same time. There will be a teacher there each time to offer advice and support. It has started now and we hope it goes from strength to strength over the years.

The Community Café will be open every term in weeks 3, 5, 7 and 9 at 9am in the school library. Please come along. It is a much warmer environment at the moment than chatting in the cold outside.

This was followed by our Education Week Assembly with lots of awards and wonderful performances by our band students, the Senior Choir, the Stage 1 skipping group and 5/6M. How talented is our school. Thank you to the students who performed and a big thank you to the teachers who worked with them.

The Next P & C Meeting: Monday in the Staffroom at 9.00am.
Our teachers all worked together to set up, provide food and make the day an enjoyable experience for all and I thank them.

It was great to see all the parents and families having a picnic lunch (even though it was a little chilly) and finally the classroom visits.

I would like to thank everyone who attended this special day.

On another positive note, I received a call from the supervisors of the OC tests at Hurlstone Agricultural High School last week to commend our students on their behaviour and terrific manners whilst they were there. The supervisor said she really felt the need to call and let me know as everyone was just so impressed. Congratulations to those students on their behaviour. Once again – well done Glenfield Public School.

In this Broadcaster you will find information about our new payments on line system – please read the information carefully. We hope it will make payments easier for you. Thank you for your continued support.

Woolworths Earn and Learn
Last Friday morning in the COLA, students began putting Woolworths stickers on the sticker sheets. The stickers came from the box at Glenquarie Woolworths, which I emptied that morning, and from our box in the Office. Thank you to those students for your assistance!

Each sticker sheet now has room for 60 stickers instead of 30, so it will take a little longer to fill but I know they’ll start being dropped into the box in the Office very soon!

Congratulations to Rajnish 1/2O and Lakshmi 5S who were the first to bring in a completed sheet. What a great effort! Our school total so far is 420.

The program continues until Tuesday September 8, so we have 6 weeks to go. Please keep collecting and don’t forget to ask family and friends to help you! We shall be able to swap our stickers for educational resources for our students to use!

Threatened Species Art competition
To coincide with Biodiversity month and Threatened Species Day on 7 September, Campbelltown Council will be running an art competition for all students in local schools. This competition encourages students to learn about a local threatened species and represent it in a piece of artwork. There are prizes to be won for individual artworks in three different age categories. The artwork becomes part of a travelling exhibition across the Macarthur region at Council libraries.

To enter: Students need to create an artwork on A4 paper and hand to Miss Williams no later than Wednesday 19 August. Please refer to the poster in the COLA area for ideas for artwork.

. Kindergarten 2016
If you have a child ready to start Kindergarten in 2016, or if you know someone who has a child ready to start kindergarten in 2016 please come the school to pick up an enrolment form.

From The P&C
Thank you to everyone who has returned their Freddo Frogs money. If you still have money outstanding, please return it by the end of the week, so the banking can be finalised. Also the lost property was emptied last week and the jumpers that were labelled were washed and returned. Please label all clothing with your child’s name so lost property can be returned to the right owner.

Father’s Day Stall
Because the Book Parade is on the first week of September, the P&C will be running the Father’s Day stall a week early, Thursday 27 August. Any leftover gifts will be sold on Friday 4 September.

Winter Gala Day 2: 2015

On Friday 24 July 2015 our soccer sides competed in the second The Fields Zone soccer gala day competition.

The senior side went through the day undefeated and the team enjoyed ringing the victory bell back at school. The junior side only lost one game and collectively played better than the senior side. Notwithstanding the one loss both teams really earned their wins. Bodhi continued to impress with some great goals while the play of the day went to Suneyra with a huge tackle which saved a likely goal.

Jeans for Genes Day 2015

Friday 7 August 2012 is Jeans for Genes Day (term 3 week 4). However due to Zone Athletics being on this day it has been necessary to make our school’s Jeans for Genes Day on:

THURSDAY 6 AUGUST 2015

We are having an awareness raising day at school where the children are encouraged to wear their jeans.

This year’s merchandise box consists of a pen, pocket tissues, and various badges and bracelets. We have ordered three boxes of merchandise so be quick to get your items. The items range in price from $3 to $8.

If we sell all of the merchandise in one box, our school will raise almost $200 for the Children’s Medical Research Institute. Every dollar raised helps scientists at the Institute discover treatments and cures, to give every child the opportunity to live a long and healthy life.

The students may wish to make a donation.

The merchandise can be purchased from Mr and Mrs Eccleston on the Thursday, Friday and on the days before the J4G day. Mr Eccleston will be selling the remaining merchandise on the following days until sold out.

NOTE: The students have been told this is not classed as a Mufti Day (out of uniform day). Students may wish to wear any coloured jeans on THURSDAY 6 AUGUST 2015

Thankyou for your cooperation,

Mr & Mrs Eccleston
